OVERVIEW

- **Established** – 2004
- **ISNAD** offers an integrated, one-stop logistics service, enabling multi-border and cross-border services for GCC customers through the strategic leverage of LogiPoint's Bonded and Re-Export Zone.
- **ISNAD** enhances connectivity by operating a bonded corridor between Jeddah and Dammam, delivering a strong value proposition for clients seeking efficient cargo movement from Dammam Port to meet demand in the Jeddah market.

Custom Clearance

- ISNAD, with its licensed customs clearance capabilities, delivers efficient, world-class service
- It specializes in GCC cross-border transit and re-export shipments via Jeddah Islamic Port

Value Added Services

- Offers unbundling, labelling, repacking, and consolidation prior to customs clearance
- Goods for the local market must meet Saudi Food and Drug Authority (SFDA) requirements before clearance and distribution

Warehousing Operation

- Manages warehousing and yard operations on behalf of 3PL providers and major petrochemical clients
- Successfully serving customers across the petrochemical, automotive, FMCG, and project sectors

Transport and Operations

- Provides bonded and local transportation across the GCC, with FTL and LTL shipments on bonded or non-bonded terms throughout the region and within Saudi Arabia
